

BEAUMARIS PARK, BEAUMARIS.

The Beauty Spot of this
Delightful Seaside Suburb.

Well preserved Ti-tree Reserves, with winding Shady Walks, from which glimpses of the Magnificent Expanse of Sea and Coast line are obtained.

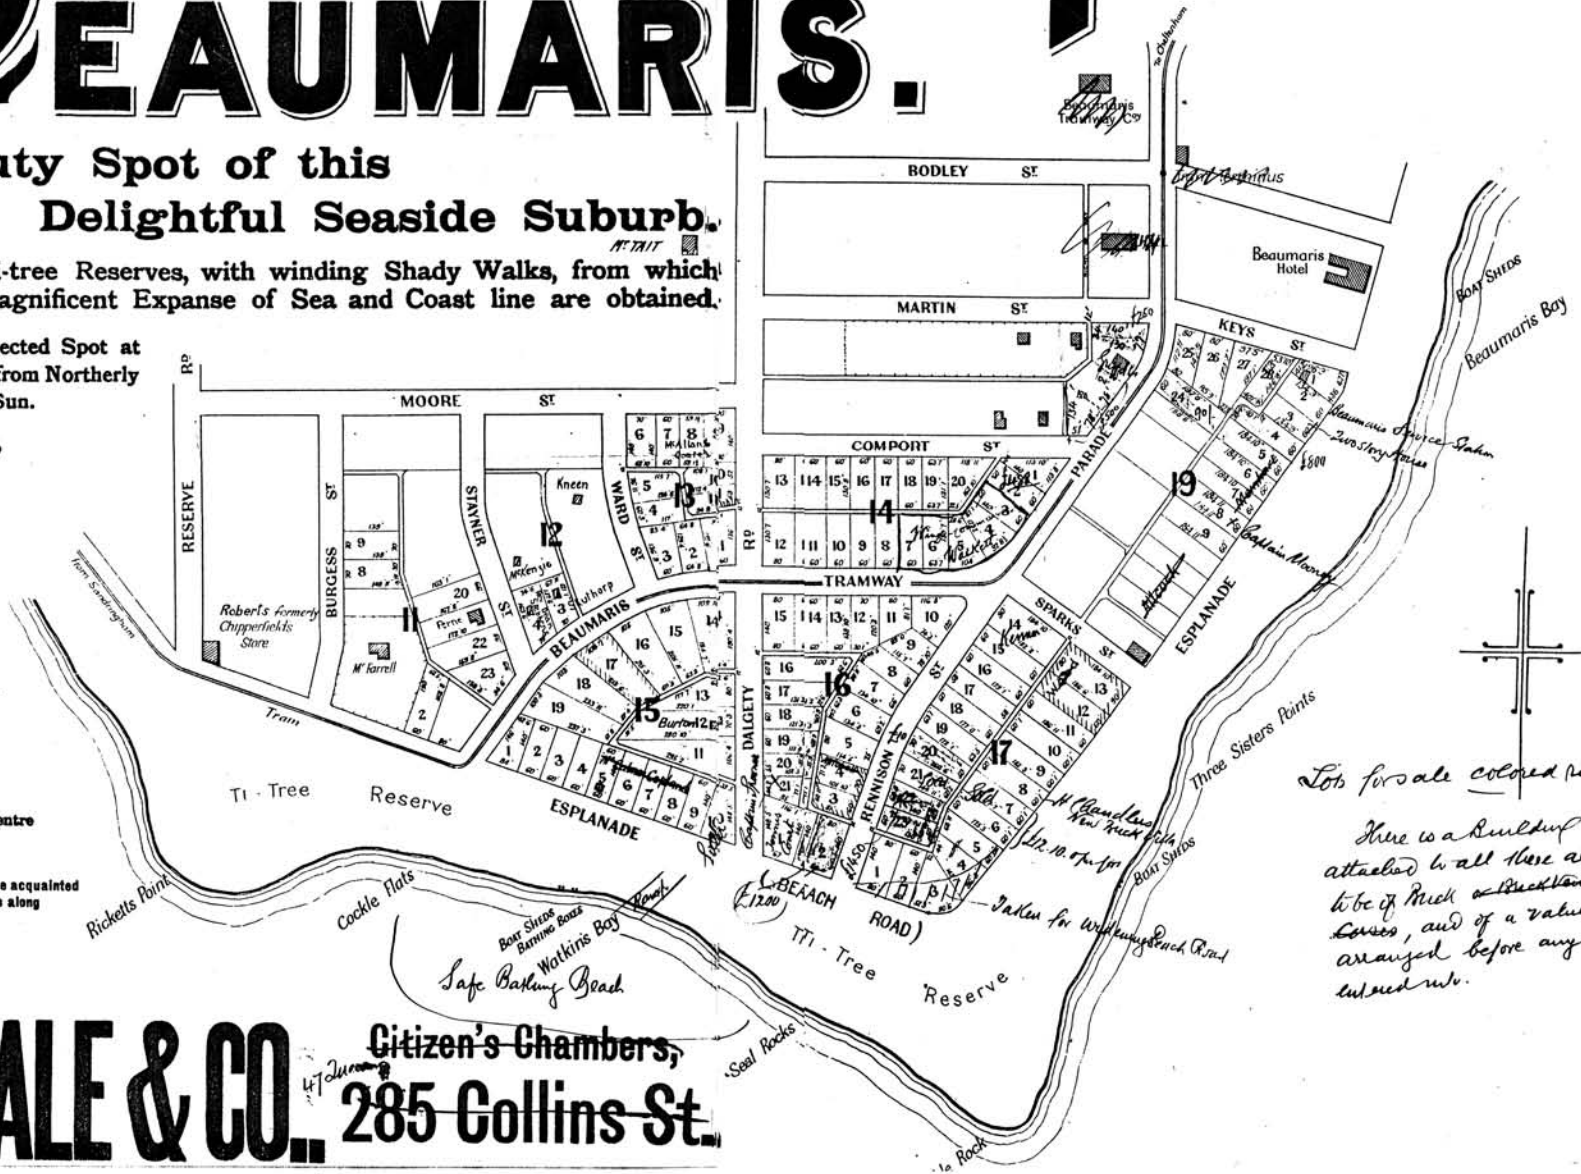

A Cool and Well Protected Spot at all times, well sheltered from Northerly Winds and Westerly Sun.

Ideal Bathing, Boating, and Fishing Grounds.

Beaumaris is justly famed for its Beautiful Coastal Scenery, extending for many miles, with the prominent Mount Martha and Arthur's Seat Mountains in the distance, and is the only bit of coast near Town that at all compares with Sydney's Harbor.

Tramway right through the centre of the Estate.

Make an early inspection, and become acquainted with the Natural Beauty Spots along the Sea Frontage.

Lots for sale colored red

There is a building condition attached to all these allotments to be of such a nature as to be of some value, and of a value to be arranged before any contract is entered into.
